

Victory Driver Training School Family Agreement

Entered into between family members, granting permission for the son/daughter to drive the family vehicle with the following conditions:

I, _____, being a beginning driver, do hereby agree with my parent _____ that when driving the family vehicle I —

1. Will use the utmost care in my driving, as I realize that my parents may be legally responsible for my acts.
2. Will remember at all times that a vehicle is not a plaything, but a machine which has the power to injure and kill.
3. Will use my seat belt at all times while driving and also remind my passengers to use theirs.
4. Will never use a cell phone to talk or text while driving.
5. Will never drink and drive (or allow passengers to drink).
6. Will obey all signs, street and highway markings, signal lights and other traffic regulations.
7. Will never drag or race with other vehicles, although may be tempted to do so.
8. Will drive within the speed limit at all times, and never try to impress my friends with show-off driving.
9. Will never attempt to drive if I feel sleepy.
10. Will never permit others to drive the vehicle unless an emergency/necessity.

I understand and agree that if I violate these conditions and a crash occurs through carelessness or negligence on my part, the violation will become a part of my driving record and consequently affect my family's vehicle insurance rates.

I realize that this agreement is not legally binding, but I hereby give my parent my word of honor that I will do what I have promised above in consideration for my being able to drive the family vehicle from time to time.
